

2016-2017 CROZET ARTS:
WHAT TO WEAR FOR EXPLORING MOVEMENT,
CREATIVE MOVEMENT, AND BALLET

Please note: Ballet shoes should be purchased at The Hip Joint (<http://www.thehipjointdances.com/>), on the downtown mall in Charlottesville, and fitted *on the student's foot*, to ensure a proper fit. Shoes from chain/department stores are lower quality, and stiff, which make it difficult for the student to work her/his feet well. The Hip Joint also sells our uniform class attire, except for Intermediate I & II leotards, which must be ordered online (see details below).
